

# Invitation to take part in a national survey to share your experience of caring for someone with agitation in Alzheimer's dementia

## Who can take part?

You might be eligible if you:

- Care for someone diagnosed with **agitation in Alzheimer's dementia** who takes **Rexulti** to help with their agitation symptoms.
- The person you care for lives at home with friends or family.

## What will I have to do?

- Complete an online survey about your experiences of caring for the person with agitation in Alzheimer's dementia.
- The survey should take around 30 mins to complete.
  - You can complete the survey in English, Spanish or Mandarin.

## Why take part?

- By sharing your experiences, you can help us understand how medication for agitation impacts those caring for people with agitation in Alzheimer's dementia.
- Your perspective will help pave the way for better treatments for agitation in Alzheimer's dementia.
- You will receive \$100 as a thank you for your time.
